

A propitious event

A propitious event for this
titanic puerile rainbow throng
Neophyte fingerlings scoot
then seek dissimulation
An effulgent orb illuminates
compendious evanescent youth
During pubescence
no moment is withheld
released for introspection
Malfeasance is never charged
to their ebullience
A vast expanse
to travel far from native shore
A kismet to a gourmand
The agglomeration is
harmonious a copacetic
way of life
A proven luculent path
guides until climacteric call
Oneiric thought assails
as they survey
shoals
A zeitgeist begins
to haunt
a seeking calls
Abstemious behavior
is shelved
alongside mores.
No beneficence is to be
extended this day
for times sempiternal
have passed
A blue/chrome flash of light
A strike
The battle
The net
The kill
Two quick strokes sever
the head
One razor knife slit
from anus through breast
Two swift strokes
and flayed
Steel-head broil tonight
