

Maybe

Never no or yes
yet many answers
these address

All life's dreams
hopes
unforeseen tragedy
bear may and be

Little did I know
maybe is not the past
or the morrow
it is Nu Nun Now

Old Frisian said it all
Muga Machte May
Have power
to exist to stay

Old Sanskrit Bhava Be
it is about becoming
climbing life's tree

If the mind of God
is Maybe
the rest is up to me.
